	<p>I hope this email finds you well Herewith I enclosed the revised manuscript. The manuscript has been revised based on the reviewer comments and suggestions. The literature review in the introduction has been added. The data analysis technique has been described. The results has been adjusted to the research questions and the discussion explains two research questions that are described simultaneously based on the TPACK domain. I hope this revised manuscript can be fit for the publication in JPII. Thank you for your review and quick response</p> <p>Best Regards Author</p> <hr/> <p>Jurnal Pendidikan IPA Indonesia http://journal.unnes.ac.id/index.php/jpi</p>

	<p>I hope this email finds you well. I apologize for my delay in responding to the email sent by the editor. This is because my mistake was reading late in the email from the JPII editor. I hereby submit articles in Indonesian. However, the English articles that we submit have been translated and proofread by professional translators from the Indonesian Translator Association. Here we attach proof of the translation and proofread that was carried out. We really hope that our article can be accepted and published in JPII.</p>	Activate Windows Go to Settings to activate Windows.

Dear Author,

We are pleased to announce that your article is going to be published in March 2021 edition. At this stage, there are two aspects required from you:

- 1) You should make sure you do proof-reading effectively in order to produce a quality publication in JPII. **Proofread must be from an official, reliable, and professional institution.** When the proofread is done please send us the article that has been proofread and the official letter or certificate from the proofread institution. If you have any difficulty in finding an institution in a short time, we have a recommendation. You may do proofreading and editing on SELECT (Semarang Language Consultant) (<http://select.or.id/>), or by phone number in (+6285700952423 / +6285877370020).
- 2) We encourage you to upload the similarity report of your article on your OJS account as a supplementary file. We are going to accept the article having a **≤20% similarity rate**. Please be aware of using trusted plagiarism/similarity checker applications such as Grammarly, Turnitin Premium, or others. Please avoid using the free application to make the results accountable. For your information, SELECT also provides this service. Thus, you may ask to have your manuscript checked by submitting it to the website.

Please finish the proofread and plagiarism checking **before Wednesday, 24 February 2021**. Thank you for submitting your manuscript to Jurnal Pendidikan IPA Indonesia. The Editors of the JPII are looking forward to your continued contributions to the Journal.

Best Regards,
JPII Team
