

CHAPTER V

CONCLUSION

Structuralism is an approach that grew to become one of the most widely used methods of analyzing language, culture, philosophy of mathematics, and society in the second half of the 20th century. The word Hermeneutics means "the art or science of the interpretation of literature". Lyrics are the written words in a song or a poem accompanied by a musical instrument, usually a lyre. Although the word is still often used to refer to the song like quality in poetry, it is more generally used to refer to any short poem that expresses a personal emotion, be it a sonnet, ode, song, or elegy

Michael Joseph Jackson was born on the 29th of August 1958 in Gary, Indiana. He was the 7th of nine children. (brothers: Sigmund "Jackie", Toriano "Tito", Jermaine, Marlon, Steven, "Randy", and sisters Rebbie, Janet and La-Toya Jackson.). Michael Jackson is a true humanitarian, an example to us all. He has devoted much time and money to a wide range of charities.

According to structural and hermeneutic method, so that, the writer of this thesis analyzed and interpreted that Michael Jackson's song (*Heal the world*) has wide and deep meaning and effect to other aspect in this live. Every word from the song has good influence. Michael Jackson try to explore that peace is a rights of every single live and we're as a human being definitely need peace. Michael Jackson tries to heal the world with one solution, its love. Michael Jackson sure that every

people who has a heart, must be has love to be a guide for us to make a better live with peace on this world. The writer sure that every problem is having a solution, and it is with using love.
