Dear Author, Greetings of the day. During the initial screening process, it has been found that there is a need for few modifications in the manuscript to make it ready for peer review. **Editorial Comments** are: 1. Reduce word count to 7500 including bibliography. 2. Remove the arabic text of verses 3. Carefully check footnotes and bibliography as per the format of JITC and Chicago Manual Guidelines https://journals.umt.edu.pk/index.php/JITC/Submission-Guidelines https://www.chicagomanualofstyle.org/tools_citationguide/citation-guide-1.html#cg-chapter 4. Translate names of books/articles in footnotes from other languages into English. 5. Add complete information of articles, book publishers in bibliography. **Note:** 1. Submit the revised manuscript in 4 days (August 30-2024). 2. Suggest three potential reviewers preferrably not from your institution. Following information is required abour the reviewers Name: Email: Academic Position: Department: University:	humairaahmad 2024-08-26 07:49 AM

Dear Author
Greetings!!
 	
We have received comments on your article. Also there are some JITC editorial team recommendations:
 	
1. Kindly revise the abstract to 200-250 words.
2. Kindly get the amended **article language edited and upload the language editing certificate as well**
3. Kindly check all the footnotes and bibliography very carefully (each and every footnote and each and every entry in bibliography) if its according to JITC format.
    1. Titles of books and articles from another language must be translated into English.
    2. In case of Quranic Verses, add Surah names, number, and verse number.
4. Situate the events and personalities in their respective timeline.
5. Kindly carefully see the comments and revise accordingly if required.
6. Reviewer has added a few comments on your article. The file is also uploaded.
7. Make sure similarity index of your revised paper is less than 19% and from the single source is less than 5%.

The issue in this manuscript is quite interesting, but the English needs improvement so that the main ideas written can be understood.
