ABSTRACT

Learning English in the 21st century is very important because English is a language that is commonly used throughout the world. This research aims to know how to implement 4C skills with reading tasks and to ensure the relevance of textbook Bahasa Inggris tenth grade with 4C skills. The method of this research is qualitative using document analysis as a technique of collecting data and the data will be collected from forwarding on *Textbook Bahasa Inggris 2013 tenth grade* published by Ministry Education and Culture which is a student textbook for almost all senior high school. Researcher choose content analysis because they can find out the content or statement directly from the reading task. The finding of the first question is to analyze data with checklist instrument to show the existence of 4C on it, and for the second research, the question is percentages of represented of 4C skills that appeared in reading tasks of two-semester of this textbooks to show the relevance of it. The indicator of checklist are : Poor(0-25%), Sufficient(26-50%), Fair(51-75%) and Good(76-100%). The result of this study two semester textbooks published by the Ministry of Education and Culture have fair and good category, **Creativity** It's evidence with a (Good) percentage with result 76% in the 1st semester and 81% in the 2nd semester. **Critical Thinking** in 1st semester it has a percentage result of 75% (Fair), while in 2nd semester it has a percentage result of 76% (Good). **Collaboration** in the 1st semester has result 66% (Fair) while in the 2nd semester has result 65% (Fair). **Communication** 1st semester has reach 79% (Good) while in the 2nd semester has reach 82% (Good). So, both books have the skills to deal with this era of globalization

Keywords: Textbooks, Reading task, 4Cs skills, Relevance, 21st Century Skills.
