## ABSTRACT

*Dian Rizky Shavira. 1808103121. Developing Interactive Lesson Plan In Learning EFL at 21<sup>st</sup> Century.*

A good lesson plan that follows a syllabus that successfully meets the standards of teaching and learning activities controls the success of the teaching process in the classroom. Some English teachers, however, continue to struggle with creating effective and methodical lesson plans for their teaching programs. Furthermore, the research aims to: (1) assess the teacher's RPP on EFL learning that is acceptable for the 21<sup>st</sup> century, with a focus on components that are in compliance with Permendikbud, no 22 2016 (2) determine the adequacy of the RPP with its implementation in the classroom. Qualitative research was used, with data obtained through documents and observations.
